14 February 1968

MEMORANDUM FOR THE RECORD

Morning Meeting of 14 February 1968

25X

Godfrey drew attention to the deterioration of popular morale in Quang Tri city in the face of enemy troop movements toward the city. (See Action 1)

Godfrey reported that, in connection with the 12-13 February Soviet bomber exercise off the coast of Newfoundland, it appears that NORAD responded adequately but that the CRITIC alert system failed. Godfrey noted that he has an analysis of the nature of the Soviet exercise but that the next and most important step is to examine and assess our own reaction and the deficiencies therein.

25X

D/ONE reported that Ambassador Carlson has filed adverse comment on the Guyana NIE and requested its distribution. [redacted] will be asked to distribute to USIB members Ambassador Carlson's comments as well as INR's rebuttal of them.

25X

ADD/S reported that the recruitment visit to the University of Indiana scheduled for next week has been canceled.

Carver commented on the case of the missing body, noting that there was no hard evidence in the first instance that General Tran Do had been killed.

DD/S&T reported that ADD/S&T and D/SA briefed Secretary Rusk yesterday on the proposed OXCART mission over Korea.

25X1

25X

DDCI advised that he sees no reason for a USIB meeting this week, and the Director concurred in its cancellation.

The Director noted that he will be briefing the Senate Appropriations Committee next Monday. It was also noted that the Policy Subcommittee of the House Armed Services Committee will be visiting the Agency next Monday.

ACTION:

1. The Director asked that the Quang Tri situation be included in the PDB. (Godfrey)
